Re: Community Project Funding Request for the Arvin 4th Street Project

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Arvin 4th Street Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Arvin, located at 200 Campus Drive, P.O. Box 548, Arvin, CA. 93203. The funding would be used for much-needed local road infrastructure and streetscape improvements on 4th Street between Campus Drive and Walnut Street. The project is an appropriate use of taxpayer funds because it will support future housing and the economic development of the rural, disadvantaged, farmworker community as well as improve access and safety.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David G. Valadao
Member of Congress
