ADMINISTRATION

SUBCOMMITTEE ON MILITARY CONSTRUCTION,  
VETERANS' AFFAIRS AND RELATED AGENCIES

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Kings County Regional Multi-Modal Transit Center Project in fiscal year 2023.

The entity to receive funding for this project is the Kings County Area Public Transit Agency located at 610 West 7th Street, Hanford, CA 93230.

The funding would be used for the construction of a new regional transit center which will provide Central Valley residents with increased access to public transportation. Once completed, the project will provide members of the Kings County community and surrounding areas with access to an efficient, reliable, and expanded transportation network. The project will include clean mobility elements such as bike-share and car-share programs, micro-transit electric shuttle bus service, and public facing electric vehicle charging stations. This project will provide Kings County and the Central Valley region with a multitude of important mobility, economic and public health-related benefits.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "David G. Valadao".
