Re: Community Project Funding Request for the Armona Water Well Project.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Armona Water Well Project in Fiscal Year 2026.

The entity to receive funding for this project is the County of Kings, located at 1400 W. Lacey Blvd Hanford CA 93230

This project will support the design and construction of a new well in the community of Armona. Funding will cover the drilling of the well, associated site improvements, and necessary connections to the existing water system to ensure reliable service delivery and adequate supply. The project is an appropriate use of taxpayer funds as it will provide a safe, reliable source of drinking water for the community of Armona.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman David G. Valadao
Member of Congress
