Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Earlimart Well Project in fiscal year 2022. The entity to receive funding for this project is the Earlimart Public Utility District, located at 396 N Church Rd # 6, Earlimart, CA 93219.

The funding would be used for well treatment improvement of the Front Street well, which has the highest levels of Trichloropropane (TPC) amongst all of the active Earlimart Public Utility District wells. The project would provide safer and improved drinking water to Earlimart, which is a low-income, disadvantaged, and unincorporated community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "David G. Valadao".
