VETERANS' AFFAIRS AND RELATED AGENCIES

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hanford Veteran and Seniors Building Project in fiscal year 2023.

The entity to receive funding for this project is the City of Hanford located at 315 North Douty Street, Hanford, CA 93230.

The funding would be used for renovations including replacement of the roof, flooring, two air conditioning units, windows, and the ADA ramp as well as the addition of outdoor lighting and a security camera system to enhance the safety of all building users, especially during the evening hours. The proposed renovation and improvements to the Veterans and Senior Building are vitally needed to improve safety, accessibility, and comfort while enhancing the energy efficiency of the building which is used by four local veterans organizations and one senior services organization.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'David G. Valadao'.
