Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Santa Fe Way Resurfacing and Shoulder Improvements Project in fiscal year 2023.

The entity to receive funding for this project is the City of Shafter located at 336 Pacific Avenue Shafter, CA 93263.

The funding would provide new pavement resurfacing for existing travel lanes and paved shoulders at Santa Fe Way between Los Angeles Avenue and Galpin Street. The roadway currently lacks paved shoulders, and travel lane deterioration is impacting the commute between Shafter and a major industrial park south of the city. Resurfacing this nearly 5-mile stretch of road will improve traffic safety in the rural and underserved community of Shafter.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "David G. Valadao".
