**Re: Community Project Funding Request for the McFarland Street Infrastructure Project**

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the McFarland Street Infrastructure Project in Fiscal Year 2024.

The entity to receive funding for this project is the City of McFarland, located at 401 W Kern Ave, McFarland, CA 93250.

The funding would be used to repave new roads and provide necessary equipment to maintain and clean them. The project is an appropriate use of taxpayer funds because it would allow the City to repave and maintain several roads that are unsafe for vehicles and pedestrians.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
