Re: Community Project Funding Request for the East Lacy Corridor Improvement Project

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the East Lacy Corridor Improvement Project in Fiscal Year 2024.

The entity to receive funding for this project is the City of Hanford located at 319 N Douty St, Hanford, CA 93230.

The funding would be used to resurface roads, restripe lines to allow for more lanes, construct bike lanes, sidewalks, curb cuts for transit stops, and lighting along Lacey Boulevard. The project is an appropriate use of taxpayer funds because it will increase the use of active transportation, reduce greenhouse gas emissions, improve safety along the corridor, and invest in nearby businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
