**Re: Community Project Funding Request for the Tulare County Fire Department
Apparatus Acquisition Project**

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Tulare County Fire Department Apparatus Acquisition Project in Fiscal Year 2025. The entity to receive funding for this project is the County of Tulare, located at 800 W Burrell Ave, Visalia, Ca, 93291.

The funding would be used for the procurement of a new 110' Aerial Ladder Truck. The new apparatus will serve the unincorporated areas of Tulare County including Tipton, Pixley, Earlimart, Terra Bella, and Alpaugh. The project is an appropriate use of taxpayer funds because it will ensure the safety and continuation of rapid, professional emergency response service to the public.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David G. Valadao
Member of Congress
